

**Remarks**

Claims 1-7 are pending in this application. Reconsideration and allowance of the application is respectfully requested.

Applicant notes with appreciation the indication that Claims 1-8 would be allowable if rewritten to overcome the rejections under 35 USC § 112, 2<sup>nd</sup> paragraph. Applicant has so amended Claims 1-8 and respectfully requests their allowance.

Applicant respectfully believes the amendments to the title and substitute Figs. 1-3 render the objections to the specification and drawings moot and requests their withdrawal.

In response to the 35 USC § 112, second paragraph rejection of Claims 1, 6, 7, and 8, Applicant respectfully believes this amendment renders the rejection moot. Applicant respectfully requests allowance of all claims.

In view of the remarks above, Applicant believes that each of the rejections has been overcome and the application is in condition for allowance. Should there be any remaining issues that could be readily addressed over the telephone, the Examiner is asked to contact the attorney overseeing the application file, Aaron Waxler, of NXP Corporation at (914) 860-4296 (or the undersigned).
